Dear Sir or Madam,

I am writing to introduce our company All Custom Goods & Entertainment, LLC as we wish to establish a relationship with you and your organization. We are an innovative and driven technologies company in the business of engineering and multimedia productions, with an emphasis in entertainment. We are currently based in Oklahoma City, OK and are working towards becoming the competition of more costly services in the entertainment market in Oklahoma and beyond. We have been able to cut company overheads by 46%. Effectively providing more value to products or services. We pride ourselves in becoming one of the industry leaders in this area.

Over the past (12) months, we have been able to acquire all needed equipment to secure and maintain a major competitive edge in every market . In addition to all the accomplishments clients have brought to our organization, this has also opened up opportunities for us to grow without limits.

We are currently working on our latest technology in video game development. It is for this reason we would like to go public to assist in stabilization of working capital and the cost of materials.

I look forward to hearing from you soon and remain hopeful of your decision.

Best regards,

Nicholas Patterson
